A CATHOLIC CO-EDUCATIONAL COLLEGE FOUNDATION - YEAR 12

Student Travel Form

It is advisable that students miss no more than four weeks of school in total. Missing more than four weeks may have a negative impact on their progress at school. Please take this into consideration before making your decision travel and discuss extended travel plans with the Principal. The school must be notified at least one month in advance of the intended travel so that work can be set for the student to complete while away. Parents need to complete this form before student's absence.
